

KING WILLIAM ROAD UPGRADE

CONSTRUCTION UPDATE – 12 September 2019

Upcoming night works along King William Road, between Arthur Street and Park Street.

Dear Resident / Business Operator

Construction works for the King William Road Upgrade which will transform the main street are progressing well with the commencement of flexible space and footpath works on the western side

The purpose of this update is to advise you that night works on the eastern side of King William Road between Arthur Street and Park Street will commence from Sunday 15 September.

King William Road will be OPEN FOR BUSINESS.

What we're doing:

- Completing services installation in the flexible space
- Installing irrigation and undertaking stormwater works

Works will commence at the corner of Arthur Street and progress south towards Park Street.

This activity will result in periods of noise and some dust. The works will be managed to minimise disruption as much as possible, however you are advised to close your doors and windows during this activity.

When it's happening:

Works will be undertaken between 8pm and 6am each night from Sunday 15 September to Thursday 10 October, with the **exception of Friday and Saturday nights, when no works will be undertaken.** The timing of these works is subject to weather conditions.

Traffic impacts and access:

During these works traffic and speed restrictions will apply.

- Two-way traffic in both northbound and southbound directions on King William Road will be maintained via one lane at the work zone.
- Access onto King William Road from local side streets will be maintained.
- Driveway access to properties will be maintained in most cases. If there is a short period of time a driveway is restricted, advance notice via SMS alert or email will be provided to those directly affected.
- Pedestrian access along King William Road and to properties and businesses will be maintained at all times

While some short-term noise will be experienced at times from these activities as they move along the road, they will be managed to minimise disruption to nearby residents and businesses.

For more information and enquiries, please contact the King William Road Upgrade Team, by telephoning 1300 617 363 or via email at KWREnquiries@bmd.com.au

Yours sincerely
