

KING WILLIAM ROAD UPGRADE

CONSTRUCTION UPDATE: **IMPORTANT INFORMATION** –
5 NOVEMBER 2019

Upcoming nightworks and intermittent temporary night closures of short sections of King William Road and some adjoining side streets to late November.

Dear Resident / Business Operator

Construction works for the King William Road Upgrade which will transform the main street are progressing well.

The purpose of this notice is to provide you with advance notice of intermittent temporary night closures of short sections of King William Road and some adjoining side streets between **11pm and 6am, Sunday to Thursday**, to late November.

These closures will occur intermittently, when required, to extend the active work areas which will assist in increasing productivity.

Footpaths will remain open and pedestrian access **will be maintained** to all businesses.

King William Road will be OPEN FOR BUSINESS with local traffic detours in place.

What we are doing:

Completing pavement and driveway preparation, installing landscaping and finishing paving.

Traffic restrictions and access:

- Short sections of King William Road will be closed to vehicle traffic.
- Access on to King William Road from some side streets and into some side streets from King William Road will not be permitted.
- Traffic will be detoured via local roads. **Please follow the local detour routes.**
- Restrictions will only be in place when required.

Advance warning and other traffic signage will be in place to alert road users to the temporary changes to traffic conditions and detour routes.

Driveway access to properties and pedestrian access across King William Road **will be maintained** and traffic controllers will be on site to assist motorists and pedestrians to move through the area.
